# ROBINS FAMILY HOUSING II NEWS & STORIES

## PROUDLY SUPPORTING THE MONTH OF THE MILITARY CHILD

### Our President's Message

April is a special month for our HMC families as we celebrate the Month of the Military Child. It is a time to honor the sacrifices made by military families worldwide and especially the dependent children of military members serving at home and

overseas. Since 9/11, over 2 million children have had a parent deployed overseas, and come have had a parent deployed multiple times. Military youth of today promise to be some of the most active and involved populations in our nation's history. It is only fitting that we take time to celebrate them in a special way. Thank you to our military families with children who continue to teach and inspire our future leaders.

Best,

### A Few Safety Notes

April, which is national Distracted Driving Awareness Month, is a good time to regroup and take responsibility for the choices we make when we're on the road.

Follow these safety tips for a safe ride every time:

- Need to send a text? Pull over and park your car in a safe location. Only then is it safe to send or read a text.
- Designate your passenger as your "designated texter." Allow them access to your phone to respond to calls or messages.
- Do not scroll through apps, including social media, while driving. Cell phone use can be habit-forming. Struggling to not text and drive? Put the cell phone in the trunk, glove box, or back seat of the vehicle until you arrive at your destination.

As a friendly reminder, if you see any suspicious activity, please contact Warner Robins Police Department and report the incident.

### Quick Cooks Recipe

#### *Chocolate Chow Mein*

Microwave 1/4 cup each peanut butter, chocolate chips, and butter until melted. Put 3 cups each Chow Mein noodles and Chex cereal and 1/2 cup each chopped peanuts and raisins in a resealable plastic bag; add the chocolate mixture and shake to coat. Add 2 cups confectioners' sugar and shake again.

### Maintenance Corner

With winter coming to a close, now is a good time to ensure your AC is working properly and replace your HVAC filter. Replacement of the filter is pivotal in ensuring your system breathes the way it should, reducing cause for unneeded repairs. Making sure everything is operating normally will alleviate your repairs to be on hold when the first HOT day arrives and multiple work orders are lined up being addressed. Even if it is not the hottest day, trying your system now will help us get any repairs needed complete before the really HOT weather is upon us.

### Mow Schedule for Month of April

As we work to improve our landscaping in our communities, please help us. During your areas mow time, please have items removed from your yard so the mowers can get to all the grass. Thank you for your help in getting these improvements moving forward.

### Happy Easter!
